FOUR COUNTIES MATCH

WEST WILTS GOLF CLUB

19TH JUNE 2019

As there was warnings of some wet weather around it was with trepidation I waited the arrival of the other counties plus our own players, but arrive they did thank goodness so the day was on. And as it turned out the weather was good to us and we played in the dry.

After a light lunch of sandwiches and chips we were ready to begin, we started off 2 tees which got us in more together so thanks for that West Wilts.

I am pleased to report that after some fun games with good companionship Wiltshire managed to emerge victorious and retained the silver tea caddy unfortunately we fail to win the coasters for best pair something we have never won, but I must congratulate June Poffley and Alister Ross who missed out on count back after we went back 12 holes to get a result.

The day was finished with a nice meal and prize giving during which Colin Tushingham gave a little talk on why a tea caddy is presented to the winners and he was the man who gave the coasters. Our captain then gave the appropriate thanks to all involved and wished everyone a safe journey home. It seemed to be agreed that a good day was had by all, and we were all looking forward to next year.
