

Summer Meeting 2018 Match Report

The Summer Meeting this year for the Inter Club Team Trophy was held at Tidworth Garrison Golf Club.

The Tidworth course was once again presented in excellent condition with good greens fine fairways and rough which penalised anyone who ventured off line, a good and fair test for Wiltshire Captains to exercise their considerable skills.

The competition is now in its 12th year and the teams play for the handsome Tom Sherry Trophy donated by Tom following his long service as Secretary of the Wiltshire Golf Captains.

The winners were Upavon Golf Club with a score of 117 points, this is the first time they have won the event and our congratulations go to them. I fully expect them to return next year determined to defend their title. Runners Up were Hamptworth on 115 points.

A light lunch of chips and sandwiches was provided prior to play and dinner after golf, comprising a three meat carvery and a selection of sweets served as a rolling buffet was enjoyed by all.

Captain of Wiltshire Captains , Andy Hatter, came to present the prizes in addition to which he presented ties to three new captains , Roger Thayer Tidworth, Andy Marquiss Kinsdown and Frank Ham Tidworth 2017.

Captain Andy paid thanks to the Tidworth club for hosting the event and Geoff Johnson Secretary/Manager and his staff, both on the course and in the clubhouse, for looking after us so well. A special thanks also was paid to Lorraine Clutson for acting as starter.

The 2019 Summer Meeting will be held at Wrag Barn Golf Club.
