

THE WILTSHIRE GOLF CAPTAINS

WGC vs Devon GC: 27th July 2022

The match was played on a sunny day with a gentle wind (unusual for West Wilts) We met for a light lunch sandwiches and chips if your interested, this was where we were all introduced to each other.

Then it was off to the first tee for the hotly contested matches to begin. They were played in a great spirit and friendships were started or cemented. And afterwards a pleasant dinner (chicken and veg with apple tart to finish) and the odd glass of what you fancy.

As for the results our first two pairs won but in their favour they did have a west Wilts member in them but the rest of the team lost (even though one other had a West Wilts member, but I did try hard).

So the final result was a 6-2 loss, but it was an enjoyable day and nobody complained so all in all a success.

Post-Script from Webmaster

Thanks must go to the Devon Vice Captain, Philip Webb who kindly forwarded me the accompanying photos, as none were taken by the home team representatives, much to my frustration yet again.

The match secretary also failed to provide a completed result sheet, hence the basic list of game scores on the following page.
