Score

Wilts 5 Glos 3

Match against Gloucester was held at North Wilts GC on Thursday 9th August. To the relief of all the weather was cooler than of late and that helped in making for a pleasurable afternoon.

Captain Andy had the pleasure and distinction of leading Wiltshire to a 5-3 victory. Not only that he and North Wilts captain Eddie Jenkinson managed a point – so congratulations to Andy.

Thanks go to North Wilts for presenting the course in good condition and for the catering which was well received by all. Thanks to all the Wiltshire team for a job well done and also to our guests, led admirably by captain Ian Cornwall, who were good company and gracious in defeat.

Finally this match demonstrated all that is great about these fixtures – good company, good golf, good food – long may it continue.
