

WILTSHIRE GOLF CAPTAINS VS WORCESTERSHIRE GOLF CAPTAINS

MARLBOROUGH GOLF CLUB

13TH SEPTEMBER 2018

A glorious day. The sun shone, the companionship great, an excellent meal and some pretty good golf. Shame about the result 5 ½ to 2 ½ win for Worcestershire.

It was a shame about the no shows too. Two of the original selections who had confirmed their availability and handicap completely forgot about the match. So having already exhausted all the reserves it took some frantic phone calls at 12.30 and rescheduling of tee times to get a full Wiltshire team. Special thanks must go to Howard Banbrook who dropped what he was doing and was teeing off less than an hour later.

Captains Andy and Kevin offered thanks to all who played and the excellent Marlborough catering and bar staff. Then they told a few jokes, which were some of the best and got rounds of enthusiastic laughter and rapturous applause. Sadly this was Andy's last match. He may not have achieved as many wins as he would have liked, but he has been a great captain. Thank you Andy.
