

Wiltshire Golf Captains v Worcestershire 7th September 2021

This was a great day, blessed with wall to wall, late summer sunshine. The hospitality and post-match dining was excellent. The Vale Golf Club also proved a treat. We played 'The International' championship course which is long, and challenging. A par of 74 with six par 5 holes. There was a back drop of forest trees to most holes but as we climbed gently to the highest point the outline of the Malvern Hills became evident.

The overall result of the match didn't go the way of the Moonrakers and Frank Ham had to return the inter-county trophy to the safe keeping of the Worcestershire Captain until next year. The other bad mark was the non-show of one of the Wiltshire Captains. However, this set-up an opportunity for Martin Hudson to rise to the occasion. He played as a single player and not only won his match, but took the Worcestershire pair 5 & 4. A truly remarkable outcome.
